Dear Bill:

This letter will acknowledge the resignation of The Anaconda Company and International Smelting & Refining Company from the Lead Industries Association, Inc. effective December 31, 1971.

It is with deep regret that we accept this resignation as we had hoped that Anaconda might stay active as a lead producer. Anaconda has been one of the mainstays of LIA and your help and efforts are going to be missed by the Association and by the Industry.

Please feel free to contact the LIA for any assistance you may require and accept our appreciation for your personal contribution.

Very truly yours,

J. L. Kimberley
President
