Mr. Jerome Smith
Dir. Technical Service
Lead Industries Assoc.
29 Madison Ave., N.Y.

Dear Mr. Smith;

Thank you for your time and information when we called you a few days ago. Confirming that telephone conversation regarding our introduction of a craft kit for glass leading on a national basis, the following caution advice will be included on the package, in accordance with information received from you. It is our understanding that lead came may be harmful only if ingested, and not with normal handling of the material.

CAUTION:

KEEP OUT OF REACH OF CHILDREN

LEAD TOXIC IF TAKEN INTERNALLY

WASH HANDS AFTER USING

If we have not adequately covered your suggested precautions please advise us immediately.

Very truly yours,

Sally Friedman
