

I-27

DATE \_\_\_\_\_

LOCATION

DESCRIBE WHAT HAPPENED (Major points covered, what was demonstrated, what was practiced, what training aids were used, etc.) Attach separate sheet if necessary.

sheet if necessary.  
We went over the seven items of the EPA compliance and the  
and the seven register work portion of the OSHA-VCM - Timber  
which could result in VCM exposure. Every one was given a copy  
of the above and told about the copies of all the regulations in a book  
in the control room desk and in the supervisor's office for reference.
