F. W. ROCKWELL, VICE PRESIDENT
FELIX EDGAR WORMSER, SECRETARY AND
TREASURER

June 6, 1944

Dr. Robert A. Kehoe
University of Cincinnati
Kettering Laboratory of Applied Physiology
Eden Avenue
Cincinnati 19, Ohio

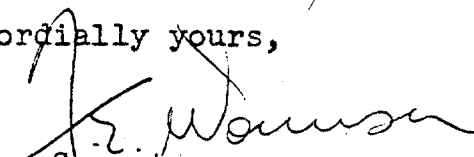

Dear Dr. Kehoe:

On my return from the South I was delighted to find awaiting me a sheaf of articles on the Queensland lead poisoning-chronic nephritis controversy, which I shall study with much interest.

We most certainly shall take good care of all of this material and expect to return it to you intact in the near future.

With kindest regards,

Cordially yours,

Secretary.
