Mrs. Woods
Mead Research Laboratories
Chillicothe, Ohio 45601

Dear Mrs. Woods:

With regard to your interest in measuring PCBs in environmental materials, I am sending you a copy of Monsanto Methodology for Aroclor. I think this covers in detail what we discussed over the phone.

If we can be of any further assistance, please feel free to contact me at the above phone number. My extension is 3480.

Sincerely,

E. S. Tucker
Research Group Leader
