PAINTS ACME QUALITY FINISHES

An Enameled Pantry is Sanitary and Inviting

There is no need of having a dark, unsanitary pantry with shelves covered with soiled or fly-specked paper that appear uninviting and unwholesome. With a brush and a can of

ACME QUALITY
ENAMEL (Neal's)

you can make it clean, light and sanitary with a hard, genuine enamel coating, in spotless white or delicate tint. Easy to apply, easy to keep clean and inexpensive. Resolve to do it *now*. Let us show you samples.
