Hi Carla and Jim! I'm sorry but Secretary Zinke will no longer be able to take any questions from members following his remarks. He'll still arrive at 8 am but we won't have time for questions. I deeply apologize for any inconvenience. Thank you for your understanding.

Leila,
Thank you for letting us know. Do you know the length of the Secretary's planned remarks to the Council? Is his 10:10 departure time a hard stop? What time are you planning to arrive at the hotel Leila? I know you said you planned on being early.

This is from the Secretary presentation today.

Secretary of the Interior Ryan Zinke stated, “Our regulatory philosophy is this we have to partner with our industries. Because you are the leading edge of technology. We want to embrace better stewardship. We want to embrace reliability. In order to get there, we have to understand the technology and in order to understand technology, we have to work with industry.”
