Intra-company correspondence

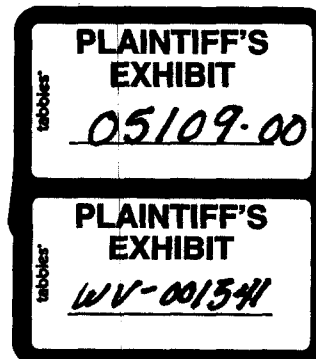

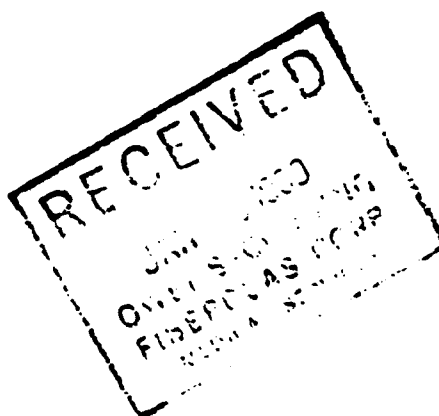

to F. O'N. Brisley G/E9 from C. I. Cohen G/21
date December 20, 1979
subject KAYLO LITIGATION - BISHOP
LETTER DATED DECEMBER 3, 1979 cc: R. H. Brink T/E9
J. L. Helser G/61
J. L. Konzen T/11
R. E. Leach G/21
J. L. Olinger G/53
R. F. Shannon G/21
L. T. Solarí T/E9

There are x-ray diffraction patterns on file in the Materials Analysis Laboratory of both experimental and production samples of Kaylo indicating that there is asbestos remaining in the product after autoclaving.
