Jason,

Appreciate you reaching out and adding in our Administrative Support Team to help facilitate scheduling.

Thank you

Alex

Aaron and Alex –

Chevron will have two of our fuels regulation experts in DC on March 19th and we wanted to request a meeting with the both of you to discuss current and future fuel regulations under your purview. Our day on the 19th is flexible from 9 am – 4 pm and believe 45-60 minutes of your time would be appreciated.

I'm happy to answer any questions.

Jason
