

regard your discussion when
I return.

I was unable to see the book
on the matter and I feel that
we can only guess at the real
cause of attack. I am certain
however that it was not due
to lack of knowledge.

I shall be in Cincinnati
on the first of November and
I am further delayed and
shall be able to discuss the
case then.

As far as I know now
I shall be able to see the President

My dear Dr. Wilson,

Regarding your report about
getting to go on before then, I have
known from the very beginning
naturally that it might. I have
had Charles Boy & given the report
here in Vancouver so that it will
not be a surprise of course from
a lay point.

There are of course many
features of the affair that will

with on the front.
