Dear Dr. Kehoe:

Thank you so much for your extensive letter concerning potential total body burden of lead in cases of lead poisoning among children. It is quite obvious that documentation of this nature requires a tremendous amount of work. I am, accordingly, extremely grateful to you for all this labor. My conscience would be quite ill at ease had I not known that some of this material would be of use to you as well as to me.

Many thanks.

Sincerely yours,

Hugo Dunlap Smith, M.D.
Associate Professor of Pediatrics
