Thanks! Bishop's bio:

Former Congressman Dan Bishop served in the House of Representatives from 2019 to 2025, where he sat on the Judiciary Committee, the Select Sub Committee on the Weaponization of the Federal Government, and the Homeland Security Committee, where he chairs the subcommittee on oversight, investigations, and accountability. In Congress, Dan was a warrior for free speech, the rule of law, fiscal responsibility, and against the weaponization of government.

Before Congress, he was elected to the North Carolina House and Senate and the Mecklenburg Board of County Commissioners. Prior to running for office, he was an accomplished business litigator for nearly 3 decades, earning numerous awards. He earned his law degree from UNC Chapel Hill, where he graduated with high honors and served on the North Carolina law review. Dan and his wife (b)(6) have been happily married for 26 years and their son, (b)(6) now attends UNC law.

Hey Ryan, thanks for your patience, yes Mr. Bishop would welcome an introduction from Senator Budd. I've flagged for Christina with HSGAC. She might be further coordinating on making sure Senator Paul, Senator bud and Mr. Bishop are all in the same room in the morning.

Pace,

Can you connect me with Dan Bishop's sherpa? Just want to make sure they have everything they need ahead of tomorrow's hearing. Senator Budd would also be happy to assist, including giving opening remarks, if helpful.

Best,
Ryan
