February 12, 1945

Mr. E. I. Merrill
Manville Factory

Improving Dust Conditions
Mixing Dept. - Marmasia

Mr. Serekm hopes to have WPB approval for jobs No. 2548, 2551 and 2458 referred to in my note of the 9th, by tomorrow or Wednesday at the latest. We are particularly interested in having this work done as soon as possible.

Will you please let me know what you think we could do to clean it up in a hurry.
