Thanks Michael,

Maria – It is great to meet you if only electronically. I would love it if we might find time to talk later today or early tomorrow on the state of play on your facilities in the Harvey impacted area. And please don't believe what Whately, Washington, and Koetzle say about me I am really not THAT bad.

Regards,  
Lee

Maria and Lee –

Want to introduce you (at least electronically) and open up a line of communications between Chevron and Lee regarding the flooding in Texas and Louisiana.

Lee is serving as the Acting Assistant Administrator for Water at EPA.

Maria runs the DC shop for Chevron and is communicating daily with the folks in Houston and San Ramon. I have also copied Bill Koetzle and Greg Washington, who are working on these issues from the DC office.

Please let me know if I can do anything to further aid your conversations.

Michael
