Maybe: Kyle Nevins

Hi Wynn and Kristen, I'm adding Jamie Wall to this chain as she'll be the point of contact for Thursday's meeting with ExxonMobil. Jamie leads their government affairs office in DC. I will be out of town and unable to attend the meeting, so she will be your best POC. I'm still available if anything comes up in the interim. Thanks again!

KN

Hi team! I appreciate the time on Thursday. Will there be any staff in the meeting with the Secretary?

The sender and other recipients are not in your contact list.
