SAFETY
SPECIAL STUDY - PUGET SOUND REFINERY
BOILER HOUSE AND RP&S DEPARTMENTS
MARCH 19 TO MARCH 30, 1984

Messrs. R. A. Cox
C. R. Ferguson
J. R. Sexton

Confirming our telephone conversations, the following have been selected to participate in a special study of Safety related items of the Boiler House and RP&S Departments at the Puget Sound Refinery in Anacortes, Washington, March 19 to March 30, 1984.

The team members will be:

R. J. Boudrieau - Area Safety Coordinator - Los Angeles
G. L. Dahms - Area Safety Coordinator - New Orleans
C. Herseim - Supervisor, Health & Safety - Houston
To be Named - Supervisor, Puget Sound Plant

It would be appreciated if Mr. Dahms and Mr. Herseim be advised and to contact R. J. Boudrieau, Texnet 720-7215, so that travel arrangements can be finalized. Hotel arrangements will be made by Mr. J. Drumond of the Puget Sound Refinery.

If there are any questions, please contact the undersigned.

R. J. Boudrieau
R. J. BOUDRIEAU
