Brighten a dinner furniture makes home more cheerful.

A new treatment for linoleum of some popular wood grains and new handles—gives that old chiffonier a surprising new charm.

Our free book, "The Art of Decorating with Decoret," shows how easily furniture can be recovered or refinished. Illustrated in colors. Send for it—free.

You can easily refinish that oak bed from mahogany or walnut finish!

New Charm for your Furniture!

DECORET VARNISH STAINS FULLERWEAR VARNISH

NEW costumes! new effects! new charm! Personality!—for furniture? Indeed, yes—as much as for any person.

Try it. You can become the deft costumer yourself. The magic of your paint brush will delight you. A new home atmosphere will then surround you. For you live with your furniture—its personality affects you.

And, to make your pleasant task the easier, you have Decoret Varnish Stains. They stain and varnish at one stroke of the brush—in imitation of various familiar woods of furniture craft. They do not hide the grain. Think how easy to restore the original color and lustre to some favorite table or chair! Think how easy to change the stain-effect of others!

Then, where only rebrightening is needed, as on a serving table, you have Fullerwear Varnish—a general-purpose varnish, made to withstand hard usage and the effects of hot water, coffee, etc. Send for our free booklet, "The Art of Decorating with Decoret." It gives information on every point of painting and refinishing furniture, ornaments, floors, walls, woodwork, etc. It suggests color schemes. And ask your Dealer about the superior qualities of Decoret Varnish Stains and other FULLER paints and varnishes—backed by 76 years' experience.
