

August 10, 1939

Mr. [REDACTED]
1776 East 93rd Street
Cleveland, Ohio

Dear Mr. [REDACTED]

In reply to your letter of August 7, I wish to advise you that it will probably be necessary for you to remain in Cincinnati for two or three days while we carry out our examination. We would, therefore, prefer that you report here to the laboratory on August 14 or 15, if you can arrange to do so.

Very truly yours,

WM:vr

Robert A. Kehoe, M. D.
