

1 Q Were these suppliers of brake linings used at all at Ford
2 assembly plants?

3 A Not necessarily, no.

4 Q Okay. Do you presently have a facility in the St. Louis,
5 Missouri area, an assembly plant, for Ford?

6 MR. KRAUSE: I think you are beyond the scope
7 of the questions that you asked this witness to be prepar
8 to give testimony on. I think the location of Ford's
9 assembly plants is something that is beyond the category
10 supplied to us and this witness is not going to be pre-
11 pared on that subject.

12 MR. FLOYD: Okay.

13 Q (BY MR. FLOYD) You don't have any information as to wher
14 the cars were delivered from to the Cribbs Ford City
15 dealership during the years 1960 to '75? You don't have
16 that information with you today?

17 A That would be dependent on the type of cars he ordered.

18 Q Okay. Could you tell me what different plants would have
19 supplied various passenger cars to the Cribbs Ford City
20 dealership during that time, do you have any records to
21 indicate that?

22 MR. KRAUSE: Again, counsel, this is way beyond
23 the scope of this witness' area of testimony and I don't
24 see how he can answer these questions.

25 MR. FLOYD: Okay.
