SUSPENSE 10/14/77

September 14, 1977

This is a follow up on your phone convessation with Dr. Harrry Rhodes of Union Carbide regarding possible NIOSH testiog of Attapulgite and Willastonite and his phone No. 716-278-3375.

He referred you to NIOSH Cincinnati, OH Office where the main number is 513-684-8226 and John Dement, his phone number 513-684-3255.

Although he is gone inaschool, you talk to Mr. Howard Ludwig who has put you on the last to recieve any complete environmental studies which should be completed on or before October 1, and he will phone back regarding anymore studies that may be in progress to give you an update as to when they might be completed.

He also indicated that I might follow back after about October 1 to be sure that any environmental study reports arep'infact, put in the mail to me.
