Dear Bob,

I am sending you a copy of a letter the Editor of the B.M.J. has received in connection with our statement and I also enclose a copy of my reply to him.

Should it be necessary I can reply to most of the letter but should welcome a paragraph from you on the Patterson section and the Three Cities investigation. You may prefer to deal with it however in a separate letter which could appear in the same issue. In any case I feel we should be prepared, so I am rushing this off to you.

Yours sincerely,

Ronald.
