

SHAC Emphasis

STOP Program - Complete by the end of this year - all wage group.

Non-empt, non-super Sclerid

STOP observations - at least four per month - one basic 2.5 exp.

Safety Goals - Same as last year 13 record. ²lost time

exp.	18	"	3 " "
basic	22	"	5 " "

Visibility

Competitive Housekeeping Program. - Work to get these groups involved.

Calendars - Keep going - evaluate amount.

Drugs - Work with personnel in developing

Bike Rules enforcement - May be threat area.

RV testing audit - Owning dept. must be responsible. Where are we?

Contractor Safety Orientation - More & more important.
- Proper orientation to truck drivers when come through gate. - Use of smoke stacks also on docks

Monthly Supv. Safety meetings - First line only? Review to make sense.

There for month in Dept.!
Emphasize P bulletin review -

LAM002799

Develop an annual program for safety - those things that need to be developed for a yearly program.
