Ryan:

I just heard back from one of our CEOs that can attend. Tom Heller, the President and CEO of Missouri River Energy Services (MRES), a joint action agency that serves 60 public power utilities in four states (ND, SD, MN, and IA) is available to attend the meeting. He will come to D.C. and miss our National Conference to be at the roundtable.

Please let me know what the next steps are – should I send you his contact info or is there info I should relay to him about the meeting?

Thanks so much.
