Make the Approach to your home Inviting

WHERE the eyes of visiting friends rest first, there signs of wear should be covered and brightened up. Porches and steps can be brightened with Fuller's Porch and Step Paint. This paint will withstand grinding heels, scraping feet and scrubbing.

Then, for the house itself, the pergola, porch balustrades, the window frames, etc., there are Fuller's Pure Prepared and Phoenix Pure Paint. These paints are made of Pioneer White Lead, pure zinc, pure linseed oil and pure colors, perfectly combined in correct proportions.

Whatever your painting need, W. P. Fuller & Co. makes a paint for the purpose. There is a local agent or dealer who sells Fuller paints. Our Service Department will gladly mail a little "Home Service" booklet. Why not buy your paint, or write, today?
