

(Drislane - Purcell)

1 terms of the lung cancer cases from the regular chrysotile
2 asbestos.

3 Q Let me talk to you about the chrysotile issue that
4 you've mentioned. Let me draw your attention to a document I
5 will mark as Exhibit EE.

6 (Exhibit EE, "Asbestos and the Friction
7 Material Industry," marked for identification.)

8 BY MR. PURCELL:

9 Q Let me hand you what I have marked as EE. If you
10 will take a moment to review that.

11 A (Complies.)

12 MR. FRIESTEDT: Is there a date on this?

13 A Is there a date on this? Is there a date on this
14 thing here? Can you tell what the date was from this thing?

15 Q I don't believe there is a date on that one.

16 A Oh, this one here must have come from an annual
17 report because this is Exhibit 14.1 or something. This must
18 come out of -- this was Ike Weaver's -- this was Ike Weaver's
19 address. All right. So we are coming from the same thing as
20 before.

21 Q You recognize that as an address presented to the
22 FMSI by Mr. Weaver?

23 A I believe so, yes. This was -- this was Ike
