

1 mother and father did was gardening. They started a
2 garden in the backyard.

3 Q Was it vegetable or flower garden?

4 A You name it, vegetable garden, you know,
5 tomatoes, celery. I mean, they had green peppers,
6 strawberries.

7 They had -- it wasn't much of a yard there,
8 but it was the rudiments which he would later build on
9 when he moved to the new location.

10 Q Was gardening something that your parents
11 did together?

12 A Yes. They would love to garden. My mother
13 had the green thumb, and he was right there with her
14 gardening.

15 Ride bicycles. My parents had a his and
16 her -- he had a bike for him, and she had a bike for
17 her; and they would ride.

18 Q Where would they go riding?

19 A They would ride out in Columbia. They moved
20 out to Columbia, I think out in Ellicott City, I am
21 sorry, I guess in 1978, my second year in graduate
