SUBJ: JAPANESE COSMETICS INGREDIENTS LIST

VISTA

We have received a request from a customer regarding the listing of Vista's ALFONIC® 1216-22 and 1412-40 Ethoxylates on the Japanese Cosmetics Ingredients List.

Do you have access to this list? If so, can you review it to determine if the Vista ALFONIC® products listed above are on the list by name or are included in a "generic" chemical listing.

Thank you for your assistance.
