National Safety Council

from ALG Meeting Jan. 1984

1. Motley's firm located a 1951 NSC publication on dust control that some Fibreboard may reportedly had and may have been sent to all NSC members, mentions asbestosis.
2. NSC says they can supply past history of memberships for those firms that are current members only. Still being denied voluntarily.
3. J. Rice returning to NSC the week of Jan. 30 for more checking of documents, attempts to get members' lists.
