

January 8, 1940

Mr. O. E. Lewis

Dear Oscar:

We are attaching a copy of a letter from Mr. Hogan under date of January 6th, reporting information given to him by a Major O. E. Cound, Assistant Executive Officer of the Supply Division of the War Department, regarding the use of leaded gasolines in a new type of gasoline stove used by the U. S. Army.

We will attempt no further contact with Major Cound except on specific instructions.

Yours very truly,

H. C. Dees
