

1 I think you also indicated that you conduct
2 epidemiologic studies; is that correct?

3 A That takes up most of my time, yes.

4 Q Okay. We are going to come back to that in
5 greater detail in a minute.

6 What I would like to ask you right now is
7 have you ever conducted an epidemiologic study where
8 you found that a certain exposure or exposures to
9 substances has had an adverse effect on human beings?

10 A Yes.

11 Q Okay. And have you published those
12 results?

13 A Yes.

14 Q Okay. Doctor, some of the witnesses who
15 have testified here, before in this trial, have done
16 some consulting work for the government.

17 Have you consulted for the government?

18 A Yes.

19 Q Okay. And what kind of consulting work have
20 you done?

21 A A few years ago I was one of the so-called
