Michelle,
Can I fit in a 30 minute meeting on this with Scott Mason and his client next week?

Thanks,

Big week over there as POTUS unveils his EO on climate/energy/etc. Congrats!

Sorry for the short notice, but next week Kathryn Sorenson, Director of Phoenix Water, will be in town and is hoping to meet with you all to discuss a number of Bureau of Reclamation issues including forest restoration and the Colorado River. She will be in town on Wednesday, April 5. Any chance you or someone with specific responsibilities in this area would have time to meet with her? Many thanks in advance.

Thanks again; hope all is well. I told the Sec. that between riding in on a horse and shoveling snow off the Lincoln, he's the best press this Administration can get! Keep it up.

Thanks again; let me know.

Scott
