

1 Q Did you see this record of January 8, 1981?

2 A Yes.

3 Q Mr. Vandergucht has been doing quite well at
4 home. Noted a few episodes of vomiting following his
5 chemotherapy, but was otherwise asymptomatic.

6 So the chemotherapy they gave him to try to
7 slow down the development made him sick, didn't it?

8 A Yes.

9 Q I am sure it was very unpleasant, wasn't
10 it?

11 A Quite unpleasant.

12 Q This statement here, but otherwise was
13 asymptomatic.

14 Now, that is just a medical way of saying he
15 had no symptoms; isn't that right?

16 A That is correct.

17 Q Is there anything else you want to read on
18 that before I take it down?

19 A No.

20 Q Okay. Got a medical record from January
21 28th, 1981.
