Services Today For Congressman Englebright

NEVADA CITY, Calif., May 21 Funeral services were held today for Rep. Harry Lane Englebright, who for 17 years represented the largest congressional district in the nation.

Colleagues and friends from Washington and Sacramento attended the services, which were held in the Episcopal church, with burial in Fine Grove cemetery.

Englebright's body was returned yesterday to the family home atop a hill in this picturesque Mother Lode mining town. It was accompanied by Mrs. Englebright and a group of Washington friends.

Among those from the state capital who attended the last rites were Gov. Earl Warren. Officials from the 18 counties of Englebright's big congressional district also paid their last respects.

Englebright died last week at the age of 59. He was the Republican whip in the house and held important committee positions.

TANFORAN'S INTERNATIONAL

SAN FRANCISCO (U.P.) — San Francisco believes that its famous Tanforan racetrack is the most international one in the world. It was founded by a Polish nobleman, named for a Spanish pioneer and was used as a Japanese assembly center during the early part of the war.

Monterey Peninsula Herald, May 21, 1942 - P11

Thirds street, Monterey. Mrs. Carmalita Benson and Mrs. Osborn Goodrich of the A.W.V.S. man the desk from 10 in the morning until four in the afternoon. Five days a week, and conduct an exchange for both volunteer and paid jobs, keep a file on housing accommodations, and do all manner of other odd services that continually pop up in these days of sudden moves and uprootings.

Mrs. Benson and Mrs. Osborn have but one idea in mind—that is to ease the path, as much as possible, for the officer's or soldier's wife who is struggling with the posts, the rationing board and the war bond drive. The Red Cross workrooms have received needed workers from this source. Working in cooperation with the state employment bureau, and constantly in touch with individuals, their file of paid jobs needing to be filled is an interesting one.

Both Mrs. Benson and Mrs. Goodrich are civilian recruiting officers for the WAVES and the SPARS, and anyone needing information concerning these services need only inquire at the counselor bureau.

Kitten Goodfellow North Africa Bound As R.C. Visitor

Miss Katherine Goodfellow of Carmel, known as "Kitten" to her friends, is on her way to Washington, D.C., today slated for active service with the American Red Cross in North Africa in the Hospital Visitor Service.

Miss Goodfellow, who is the baby of the most recent branch of Red Cross activity which functions under the leadership of Mrs. Swift Newton, was accepted for this strictly selective branch because of her unusual experience. She has more than 5,000 hours of service as a Nurses' Aide to her credit.

Miss Goodfellow started in on her Nurses' Aide work at the American Hospital in Paris, working there six days a week for almost a year. When she finally left, six months after the evacuation, she was the only American volunteer left in Paris.

Arriving in this country, she worked as an aide at the Memorial Hospital in New York City. This was before the Red Cross had organized its important Nurses' Aide Volunteer Service. Her first act, upon coming to Carmel last fall, was to sign up with the local Nurses' Aide unit.

In volunteering for overseas duty, Miss Goodfellow had hoped to be sent to England where her fiance, Lieutenant Robert de Lesseps, is now a member of the London Home Guard following the evacuation at Dunkirk in which he participated.

Mrs. Arthur Goodfellow, Kitten's mother, will continue to occupy the Sam Hopkins' house on Santa Lucia during her daughter's absence overseas.

Miss Goodfellow is the third volunteer from Carmel in the Hospital Visitor Service in North Africa. She follows Miss Mary Jepp and Mrs. Emilie Crofe.
