Fund Cite for EPA Administrator to Australia September 2017 REVISED.doc

Hi Nicole,

I saw your email this morning that said you were working on this today, and Michael Benton let me know what funds you were using. Millan Hupp, Deputy Director for Scheduling and Advance called me just a little while ago because she is being asked the status on this. Can you please let us know where the process is and when it will be finalized, if it isn't already? Thanks so much!

Best,

Carol Vogel
