Mr. C. W. Bergquist,
Western Electric Company,

My dear Mr. Bergquist:

I have not yet heard from you with regard to the sandblasting leaflet but I know how busy you are and since all the other members have written in long since I have redrafted the report as enclosed. I am sending this copy to Cameron and any further changes that you think should be made I am sure you can take up directly with him.

Cordially yours,
