FIGHT BACK WITH ORTHO

WEED-B-GON is the easy way to kill lawn weeds. It forces them to actually start growing themselves to death. Roots and all. Within 48 hours after use. But it doesn't affect your grass at all. Won't affect your pocket book much, either—WEED-B-GON is economical. And like all ORTHO garden products, it carries a money-back guarantee. WEED-B-GON comes in two easy-to-use forms:

(LXN) Improved WEED-B-GON can be sprayed as a liquid concentrate when you want to destroy lawn weeds in a large area. All you do is mix it with water in your Ortho Lawn Sprayer and you're in business.

WEED-B-GON Aerosol Spray Bomb can be used when you want to kill lawn weeds individually. It gives you pin-point control—and a foam marker tells you know you've hit your mark.
