EPA Administrator Pruitt Speaker Request Form.docx

Hello John,

I wanted to follow up with your below request and I apologize that it has taken some time for us to get back to you. I will be taking over the scheduling for this request moving forward. Could you please complete the attached speaking request form for this event with as much information as you can provide? Since you are flexible on the meeting, some of the information might not apply and so feel free to indicate that. We will then look at the schedule and try to make it work.

I look forward to hearing from you and hope to make this meeting happen!

Hi, Tate,

Everyone was so disappointed that Administrator Pruitt had to cancel his trip to CA this week. We do wish him a speedy recovery from his knee surgery. I know what that's like.

I wanted to make you aware that approximately 100 members of the four California Lincoln Clubs will be together in Washington DC, October 4, 5,6 for our biennial trip.

During this trip we schedule pretty much nonstop meetings and meal events with many of our most important government officials.

On behalf of the Lincoln Clubs of CA, I would like to extend a formal invitation to Scott to address the group, preferably at a meal time, breakfast, lunch or dinner. But we could easily schedule something anytime of day.

Again, we will be in DC all day Oct 4,5,6. (Tues, Wed, Thurs).

We hope Administrator Pruitt will have the time to visit with us.

Best Regards,

John Warner
