Dear Dr. Seawell:

EEH has completed its study for MCA on the mortality study of vinyl chloride workers and has delivered the final report.

Attached is our final invoice which summarizes the contract value, what has been invoiced to date and the amount due on this invoice. As you know from R. L. Davis' letter of August 18, 1977 EEH has experienced costs over the contract value to meet its obligation to MCA.

EEH was happy to be of service to MCA and if you need any further information please do not hesitate to contact us.

Sincerely,

Jeanne V. Lehecka
