TERMS OF SALE

PAINT & VARNISH PRODUCTS — 60 Days NET or 2% for cash, ten days.

REARDON PRODUCTS — 30 Days NET or 2% for cash, ten days.

SHELLAC AND ALL NON-MANUFACTURED ITEMS (Except Reardon) — 30 Days NET.

RETURN SHIPMENTS

No shipments of return goods will be accepted without previous authority being granted by the factory and shipping instructions given for such return.

Credit for all return goods will be on the basis of the prevailing price or the price purchased, whichever is lower.

Credit Memo for any merchandise in a saleable condition accepted as return shipment will be computed on the basis of the customer's cost price less a 10% handling charge and less freight, if not prepaid by customer.

Freight for transportation charges to the customer will also be deducted on return shipments in the same amount as the freight on the return shipments. Where we are responsible for return shipment, we will allow full credit at price purchased, and waive handling charges and freight.

FREIGHT ALLOWANCE

Full freight will be prepaid on all shipments of goods of our manufacture, including shellac, on 24 Gallons or more. No freight allowance will be made on shipments of less than 24 Gallons.

DAMAGE OR SHORTAGE CLAIMS

Claims for damage or shortages should be made within 10 days from receipt of shipment. Damage claims must be supported by freight bill bearing notation of freight agent.

ROUTING OF SHIPMENTS

Freight routing designated by the customer will be accepted on shipments but should there be a lower rate on shipment to point in question by a competitive carrier, we reserve the right to ship via the carrier quoting the lower price. If the customer insists on favoring the higher rate carrier, we will allow only the lower freight rate.

MILDEW DISCOLORATION

Mildew discoloration is a complaint which occasionally occurs in all locations. Due to the fact that it is impossible to control the spread of mildew spores by the elements, we can take no responsibility for mildew complaints on any of our products. If mildew is prevalent in your area the addition of Mildew Resistant will retard this fungus.

**PRICES, DISCOUNTS, TERMS OF SALE AND ALL OTHER PROVISIONS
ARE SUBJECT TO CHANGE WITHOUT NOTICE.**

ALL ORDERS RECEIVED SUBJECT TO OUR ACCEPTANCE.
