Re: Toxic Substance Control Act (TSCA) Lead Based Paint Inspection

Dear Ms. Oloverez:

I am writing to inform you that the Enforcement and Compliance Assurance Division of Region 6, United States Environmental Protection Agency ("EPA") has reviewed the information provided during the Renovation Repair and Painting Rule (RRP Rule) inspection conducted on December 4, 2023, at the Window World offices. Following review of the data received and our conversation with the facility, EPA has determined no further action is required. Please continue to comply with the RRP regulations.

If you have any questions regarding this letter, the file review, or future compliance questions, please contact Stan Lancaster at (214) 665-8034 (Lancaster.stan@epa.gov) or Angela Hays at (214) 665-2285 (hays.angela@epa.gov).

Sincerely,

Yurk, Jeff
