Here is the last AOC that was circulated (EPA redline on 9/29) and accompanying email. I have also attached a working draft that reflects the follow up discussion with EPA and shows that very limited issues remain.

SETTLEMENT COMMUNICATION – CONFIDENTIAL

Hi all,

Please see attached redline comments to the AOC for further discussion on Monday. On Monday, we also would like to discuss the Group's comments on the process for approving/disapproving/modifying deliverables in the SOW.

We have a room reserved here at EPA for anyone who would like to attend in person. We will set up a conference line as well. I believe you have the call-in information but if not, please let me know and I will send.

Thanks,
Stephanie
