

LEAD INDUSTRIES ASSOCIATION

~~400 LEXINGTON AVENUE~~ 60 East 42nd Street
NEW YORK 17, N. Y.

Pigments and Chemicals Division

August 23, 1957

SUBJECT: RED LEAD TECHNICAL
COMMITTEE MEETING

To Members of the Red Lead Technical Committee:

As previously announced, there will be a meeting of the Red Lead Technical Committee of the Lead Industries Association on Tuesday, September 17, 1957, at 9:30 A.M. in the offices of the Association.

A tentative agenda follows:

1. Approval of minutes of previous meeting of June 20, 1957.
2. An evaluation of the final report of the U.S. Navy's test program on the bottom painting of the destroyers USS Healy and Robinson.
3. What order of preference should be assigned to the three "Technical Letters" outlined at the June 20, 1957, meeting?
4. Review of 1957 activities and recommendations for 1958.
(See memorandum attached.)
5. Report of secretary on proposed promotional piece on painting highway bridges.
6. Inquiry from New York Shipbuilding Corporation.
7. Review of L.I.A. Projects.
8. L.I.A. Project 26 - Investigation of ship bottom paints.
Report by secretary.
9. Bureau of Ships' survey of increased costs of applying red lead. Future activities of the committee with respect to this survey.
10. Paper for Highway Research Board - Action was deferred at last meeting.

Red Lead Technical Committee

August 23, 1957

-2-
