Yes, of course. I am looping in Sydney (sister and ESP scheduler) to assist here.

Thanks Scott!

Thank you so much Millan! I appreciate all you're doing. Let me check with my folks. Depending on timing, it might actually be easier for one of my clients to meet in DC. Would that be an option?

Scott,

Hope you are well! We are likely going to be in OK sometime in the next couple of weeks. I wanted to provide you with the meeting request form as you had made mention there were a few that you wanted to organize. Please let me know what questions you have of me!
