Good morning Cara – I am reaching out to share that Chevron has several ROW requests before the Carlsbad Field Office that are being held up in response to SO 3415. Several of these were submitted many months ago but are needed in the next few weeks. It sounds like the Carlsbad Field Office has been cleared to approve other types of authorizations and it is important that ROWs are included in items they can process and approve. Please let me know if there is any additional information you need from me.

Thank you very much.

Good Morning Lucy – Mr. Wirth's Noon meeting has had to shift their meeting to the 2:30pm timeslot after all due to them having to meet with Secretary Wright at Noon. I'm wondering if it's possible to swap the timeslots and **have the Secretary meet with Mr. Wirth at Noon on Tuesday?** We can have them meet in our CEO suite?

If Noon doesn't work as an alternative, please let me know if possible to identify other times that day that works best for Sec. Burgum. I'm also happy to look into Wednesday morning times if needed.

Apologies for the inconvenience,

Thanks, Lucy. Totally understand the scheduling difficulties.

I will check on Mr. Wirth's availability for next Monday – Wednesday at CERA and let you know what may work best.

Hi Jeremy,
The Secretary's schedule has changed for next week and we will only be able to make the meeting at CERA work. The Secretary will be arriving Sunday night and leaving Wednesday afternoon. He has his keynote speech on Wednesday @12. Could we find time for Tuesday the 11th?

Hi Lucy,

I appreciate all your help with getting this on the books.

Would you all be open to keeping the meeting at 12PM on March 5th with Bruce Niemeyer while also scheduling some time for Mike Wirth to meet the following week (Tuesday the 11th or Wednesday the 12th) at CERA?

Thanks so much.

Hi Lucy,

We are still finalizing Mr. Wirth's availability in Houston for CERA, but we tentatively have some windows on Tuesday and then Wednesday morning.

Does the Secretary have any availability then?

I will follow up once I have exact time blocks when he is available to meet.

Good Morning Lucy – Mr. Wirth's Noon meeting has had to shift their meeting to the 2:30pm timeslot after all due to them having to meet with Secretary Wright at Noon. I'm wondering if it's possible to swap the timeslots and **have the Secretary meet with Mr. Wirth at Noon on Tuesday?** We can have them meet in our CEO suite?

If Noon doesn't work as an alternative, please let me know if possible to identify other times that day that works best for Sec. Burgum. I'm also happy to look into Wednesday morning times if needed.

Apologies for the inconvenience,

Hi Jeremy,

The Secretary's schedule has changed for next week and we will only be able to make the meeting at CERA work. The Secretary will be arriving Sunday night and leaving Wednesday afternoon. He has his keynote speech on Wednesday @12. Could we find time for Tuesday the 11th?

No worries, I appreciate you working with us on this.

Is there way the Secretary could do 12:15 PM on Wednesday? If not, we will make 12:00 PM work but wanted to ask.

Hi Lucy,

I appreciate all your help with getting this on the books.

Would you all be open to keeping the meeting at 12PM on March 5th with Bruce Niemeyer while also scheduling some time for Mike Wirth to meet the following week (Tuesday the 11th or Wednesday the 12th) at CERA?

Thanks so much.

We are still finalizing Mr. Wirth's availability in Houston for CERA, but we tentatively have some windows on Tuesday and then Wednesday morning.

Does the Secretary have any availability then?

I will follow up once I have exact time blocks when he is available to meet.

Good Morning Lucy – Mr. Wirth's Noon meeting has had to shift their meeting to the 2:30pm timeslot after all due to them having to meet with Secretary Wright at Noon. I'm wondering if it's possible to swap the timeslots and **have the Secretary meet with Mr. Wirth at Noon on Tuesday?** We can have them meet in our CEO suite?

If Noon doesn't work as an alternative, please let me know if possible to identify other times that day that works best for Sec. Burgum. I'm also happy to look into Wednesday morning times if needed.

Apologies for the inconvenience,
