Subject: EPA Appointment

Dear Ms. Bullock

I am back in the country and will be arranging my fingerprinting later this week regarding the appointment for the EPA Assistant Administrator of the Office of Chemical Safety and Pollution Prevention. I also have a background-check interview tomorrow with FBI Agent Hugh Ebe in Cincinnati. At this point, I am unaware of any additional information you might need from me. However, I do not remember giving you much, if any, information regarding my financial holdings (which are few). Perhaps I have missed this form.

Please let me know if I need to do anything else.

Cheers!

Dear Ms. Bullock

Attached please find the IRS release form and also the manually signed pages for the e-QIP for SF86. These signed forms have already been submitted. I give them to you only as a backup. Please let me know if

you are expecting anything else from me other than the fingerprints, or if you need for me to resend the filled in Generalpasbinder.

Thanks for the opportunity to help!

Cheers!

Dear Ms. Bullock

Please find attached a filled out binder. I believe that I still owe you the IRS tax form release and fingerprints. I will attempt to send you the IRS release form next.

Alas fingerprints will have to wait until I am back in the country on June 5 as I leave for a two week international flight tomorrow morning at 6 am. Unless of course you have some magic that can get my fingerprints later this evening...

Cheers!
