

One gallon (\$2.98) "does over" a

IT DRIES IN AN HOUR — and doesn't have disagreeable paint odor.

ONE COAT COVERS, practically every surface, wallpaper, wallboard, etc.

IT'S WASHABLE, just wipe with soap and water, color stays bright, clear.

Kem-Tone
TRADE MARK Reg. U.S. Pat. Off.

2.98 gallon

You don't have to be a paint expert to use Kem-Tone! It's easy—just mix one gallon of Kem-Tone with one-half gallon of water and you've enough paint for average-size room! Spread it on with the Roller-Koater (89c) or with a brush. It goes on easily either way.

Give an added touch with Kem-Tone Trims

12-ft. rolls, 2, 3, 4-inches wide.....**15c to 20c**
