

SOCONY-VACUUM OIL COMPANY

INCORPORATED

26 BROADWAY

NEW YORK

March 11, 1940

Dr. Robert A. Kehoe,
University of Cincinnati,
Eden Ave.,
Cincinnati, Ohio.

Dear Dr. Kehoe:

I have your letter of March 8th
setting forth your viewpoint in connection with a general
program for the continuous blending of Ethyl Fluid with
Gasoline. I want to thank you very kindly for your frank
expression and trust that some time when you are in New York
you can accord us a few minutes for a general discussion.

Very cordially yours,

FSS:JM
