Again thanks so much. I have been going to Bville for about 26 years, which is as long as I have been with Phillips 66 – of course I was hired by Phillips Petroleum. I started out as a Federal Regulatory Manager, and am now the VP of our Government Affairs.

Tulsa has changed so much over the years it's a great city – I am staying somewhere downtown Tulsa at the end of the month and driving to Bville, so I can check out the city more.

I rang the bell for some time slots. Larry is coming in for the AFPM Executive Committee meeting, he is Chair of AFPM, and you might have some time for your boss scheduled for the trade. I would be great if our bosses could meet sometime before the AFPM session, I think Larry can come in early. I am checking, and will get you those time buckets asap.

Yes, please send me some mid-June times. That would be great! I am from Oklahoma, Tulsa to be specific. Are you out that way very often?

Thank you for all of your flexibility in scheduling this!

Based off of how today is going and how tomorrow is looking, we might want to look at setting something up next time he is in town. I'm so sorry, I know this is inconvenient.

I know Larry has some constraints so as early in afternoon, if an option, might be better for me to check on. Many thanks.

Thank you so much for checking! Unfortunately he wouldn't be available until afternoon. Should we try for then or look to the next time he is in town?

Thanks!

Thank you so much for sending! Unfortunately due to some very last minute changes, I don't think the Administrator will be available tomorrow afternoon. Is there any chance you all might have some availability on Monday? I'm so so sorry for the change.

Thank you!
