MAN WHO WANTS
TO GO TO JAIL
ACCOMMODATED

Police investigating the case of
a man who asked that he be ar-
rested for his own safety. Yester-
day booked Willie O. Butler, 48, of
2131 E. Eighteenth St., National
City, at City Jail, but the charge
was a suspicion of disorderly con-
duct.

Butler, who said he was desper-
ate over marital troubles, was en-
countered at Fourth Ave. and
Market St. by Police Patrolmen F.
H. Ashcraft and A. K. Wood.
At first the policemen said they
could not arrest him. Said Butler
in reply: "I'll punch you in the nose
if that's enough excuse." The of-
ficers decided that was basis for
arrest.

jet, and as a flying laboratory
which returned to Lambert Field
last before 8 p.m. yesterday.
Ten Consolidated-Vultee Aircraft
Corp. flight engineers and four
Civil Aeronautics Administration
observers took the liner over the
Northwest on two successive days
but the huge craft remained vir-
tually motionless.
