Subject: Request for Comments on Biogenic Emissions for Annual Crops
Attachments: BiogenicCoalition EPA Letter 200609.pdf

Dear Administrator Wheeler,

Attached is a letter from John Bode on behalf of the Biogenic CO2 Coalition requesting that EPA include questions regarding biogenic emissions from the processing of annual crops in the preamble to the upcoming proposed rulemaking for woody biomass. We look forward to discussing this matter with your staff.

Sincerely,

Robin J. Bowen
Vice President, External Affairs
